Join us as we celebrate the Purfleet-on-Thames community

Meet the Purfleet-on-Thames community through the sharing of stories, recipes and music. Together we will capture our dream for a sustainable community by creating a recipe for Purfleet-on-Thames.

With contributions from Heavenly Greens Fruit & Veg, The Backstage Centre, South Essex College, local community groups and in partnership with developers PCRL (Purfleet Centre Regeneration Limited), walkers are invited to this celebratory event on the theme of sustainable communities. Please bring your own picnic to enjoy during the recipe talks.

This walk will be split into two parts:

10am-12.15pm Meet at Rainham RSPB. The first part of this walk explores the award winning bird sanctuary at RSPB, built on ancient marshland and once used as a firing range it offers spectacular views of Purfleet-on-Thames and is the perfect place for us to reflect on our dreams for a more sustainable community. Living London's Director Saira Niazi will join us to lead the conversation.

12.30-4pm Meet at Rainham RSPB. The second part of the walk will pause at the Beacon for a 'welcome to Purfleet-on-Thames' talk with a brief history of the area, and a visit to Heavenly Greens Fruit & Veg based at St Stephen's Church, before continuing to High House Production Park. Heavenly Greens Fruit & Veg customers will share a few of their recipes from around the world.
